

## 2015 – SUPER LAP SCOTLAND SUPER SPRINT CHAMPIONSHIP SPORTING & TECHNICAL REGULATIONS **PUBLISHED COPY**

### INTRODUCTION

Super Lap Scotland aims to prove who is the fastest driver in Scotland, the KING or QUEEN of KNOCKHILL! Devised by the Knockhill Motor Sports Club in conjunction with Track Scotland, the rules and class structure will, equalise the most powerful cars on the planet with even the most modest of Road Cars, Hot Hatch and Track Cars, it is open to all drivers, including first timers. Step up this year and prove just how fast you are!

With six classes based on their WHEEL HORSE POWER TO WEIGHT (including driver) RATIO, entrants will go head to head with comparable competitors, all scoring their respective class points to determine who is the class champion, with all points going towards the overall Super Lap Scotland championship.

New for 2015 is a separate award for road-going cars competing in standard trim, taxed, MOT'd and driven to (and hopefully from) the venue.

Tuning companies, car clubs or groups of drivers may also compete for the Team Trophy, consisting of teams of between 2 & 4 drivers.

**Extreme production cars / specials** – drivers with extreme / special cars such as Westfield XTR, Radicals, Xbows, Time Attack Pro Class specials or similar may be considered for entry into the Invitation Class at the discretion of the organisers. The organisers decision is final but if you have anything of very limited production numbers, or a special, then please get in touch and we will advise whether the car is compatible with the spirit of the regulations or not to avoid disappointment prior to entering. Invitation Class competitors do not score points towards the championship but are eligible for trophies and awards at the events.
